Routine Notes

[To be used only for notes, requisitions, etc., not intended for permanent record]

There is no authority for opening an Anglo Hindustani School in Chennasabana - The 28 of Edn must be asked about this. I am not ~~so~~ sure of the propriety of increasing the number of such school boys competent to do English must attend, Anglo vernacular Edn. No English Master must be appointed to every Anglo Hindustani School that may seek it - Primary Education is not now vernacular & may be taken as an obligation to be undertaken by Govt. But by this Education of special requirements must be of the nature of aided education & such instruction generally being imparted in the country's recognized vernacular - This view should be borne in mind and any application for English Masters to such special schools must be specially reported.

N B - Should routine notes be written on small slips the notes must be copied or slips pasted on this form

and receive the special
sanction of Govt - They should
not be included in a big
general statement as has
been done in connection
with the schools in Nagla
Thakur & Kolar -
